MED Learning Group

Addressing Anemia and Quality of Life Through Current Evidence and Guideline-Based Practice in Lower-Risk Myelodysplastic Syndrome

October 13, 2023 – October 13, 2024

Online

Acknowledgement of Financial Commercial Support

Bristol Myers Squibb

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must listen to each self-directed audio recording while following along with the visual slides and complete an evaluation form to receive a certificate of completion. Your chosen sessions must be viewed in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and MED Learning Group. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Nurses (ANCC) Credit Designation

Amedco LLC designates this activity for a maximum of 1.00 ANCC contact hours.

Objectives - After Attending This Program You Should Be Able To

1. Interpret diagnostic criteria to enable early diagnosis of myelodysplastic syndrome with accurate risk stratification.
2. Evaluate the potential for resistance to initial therapy in patients with lower-risk myelodysplastic syndrome.
3. Use current evidence-based best practices and clinical data to inform choice of first- and second-line therapeutic options for patients with lower-risk myelodysplastic syndrome.
